Dear Mr. Haddock:

Please consider this a minor revision to the above mentioned permit. Enclosed please find 3 copies including an executed C1 form, C2 form, and revised pages, and revised Plate II-1 (Structures and Facilities Main Portal Area). A cd-rom has been included with the submittal in pdf format.

This revision includes a concrete pad to be poured under the 4<sup>th</sup> East feeder hopper to facilitate lump coal sales to the public. The area is located under and adjacent to an existing structure and has been previously disturbed and reports to an approved drainage basin.

If you have any questions concerning this request, please contact me at (618) 625-6850.

Sincerely,

John Gefferth
